Making a Difference in their Community Today!*

**Youth Development**

The NCNW M-B Section provides a positive presence in the community that focuses on the specific education and social needs of the youth in the community at-large and foster activities that promote a positive self-image and healthy lifestyle amongst the youth. Student members help design, develop and implement activities to reach out to their community. *Mitchellville/Bowie Section Est. 1998*

**Fund Raising**

Youth select and carryout fundraisers (with the guidance of the adult Youth Advisor) to support their NCNW-MB community outreach programs.
